**PP19 THE PAPA BEAR CHAIR**

Be embraced by the great bear paws of this all time maximum comfort easy chair. Consider it an investment for life as gifted Danish craftsmen spend at least two weeks hand crafting each chair to the highest standards. The solid wooden frame is strongly joint and shaped to form a solid base for the comprehensive traditional upholstery work.

Four natural materials constitute the comfortable upholstery: cotton fibre, palm fibre, flax fibre and horsehair. And of course metal springs, providing sensitive support for the back. With this kind of genuine upholstery you will have a chair that will wear in rather than wear out. This chair will be softer and even more comfortable with the use that is applied to it.

Initiating production of the frames in 1953, the Papa Bear Chair was the first Hans J. Wegner design to be produced at PP Møbler, and it marked the beginning of a life-long passionate collaboration involving generations of craftsmen and countless hours of work in the workshop developing prototypes and production techniques for numerous Wegner models. And yet the Papa Bear Chair remains the most exclusive piece of them all.

pp19 comes with both leather or fabric upholstered seat. The piping and buttons can be customized with leather or fabric.

Design by Hans J. Wegner 1951

**Materials**  
For guidance only. Wood varies in colour and structure.

**Soaptreated**

Oak      Ash

**Oil treated**

Oak      Ash      Cherry      Walnut
