## PP240 CONFERENCE CHAIR

The Conference Chair is designed with the purpose of providing comfortable upright seating throughout an entire day. And the following evening, if that proves necessary.

For the sake of meeting this challenge the Conference Chair is more related to some of Wegner's easy chairs, thus actually being an easy chair elevated into a more upright position. In this way it breaks the norms and boundaries for how comfortable an upright chair may be.

Despite the purpose of conference use and because of the seat height this upright easy chair is perfectly suited for dining, and it may also be used as a desk chair.

pp240 is an elegant chair which offers an excellent comfort even after many hours.

pp240 comes with an upholstered seat in either fabric or leather.
