## COFFEE TABLE

Introduced in 2013, Cherner coffee tables are designed to compliment all Cherner seating products. Perfect in a formal or informal setting, the tables are strong, stabile and lightweight. Available in 32" or 36" diameters. The top is made of 1-1/8" thick cross-ply plywood with a profiled exposed edge. The legs are laminated wood with an exposed edge. Finishes: Classic Walnut or Natural Walnut.

### Finishes:

#### Natural

"Natural" finishes have a clear top coat where the natural variations in the color and the grain of the wood are clearly visible. No stain or color enhancements are used. Seating products with a "Natural" finish include: Beech, Red Gum and Walnut.

Natural Walnut

#### Classic

Aniline dyes and water-based low VOC varnishes are used to produce a finish where the natural grain texture of the wood is clearly visible with uniform color throughout. Classic color finishes are: Walnut, Ebony or Stella Orange.
