

GUBI 

BEETLE DINING CHAIR - Seat Upholstered

Taking inspiration from the four-legged creature - the beetle, GamFratesi has been looking closely at its characteristic elements: shape, shells, sutures, rigid outside and soft inside. With its polypropylene plastic shell and seat upholstery, the Beetle Chair has a light expression with an additional comfort. Thanks to its wide spectrum of colour options and upholstery possibilities, the chair encourages for personalisation. Due to its unique design, the seat upholstery can also be changed with time to give the chair a different expression and new life to the interior decoration. The comfortable yet dynamic design makes the Beetle Chair suitable for multiple environments whether it is in the home or the workplace.
