## PP 225 THE FLAG HALYARD CHAIR

With a frame made of solid stainless steel, 240 metres specially developed flag line forming the seat and back, and a longhaired sheepskin softening the industrial sharpness of the steel, this chair constitutes ultimate and luxurious relaxation!

Although the appearance of the Flag Halyard Chair seems rather futuristic, the basic idea was conceived on a hot summer afternoon in rather trivial circumstances. While the kids were playing in the shallow waters along the beach, Wegner was digging himself into the sand building a comfortable chair to enjoy the holidays. Back in the summerhouse Wegner made the first sketches using the seating angles that he had conceived on the beach.

Despite having obvious preferences for wood, Wegner shows his bold and courageous appetite for creating. With the Flag Halyard Chair he pays a tribute to the early modernists such as Le Corbusier, Mies van der Rohe, and Marcel Breuer, and proves that he masters stainless steel with the same conclusive elegance as he masters wood.

pp225 comes with a unique sheepskin for further comfort. All sheepskin are produced in Iceland, and are a bi-product of food production. All sheep has lived in the open fields, and the hides has been processed without the use of chrome.

If you wish to select the sheep-skin for your Flag Halyard Chair, you can see all available sheepskin following the below link. When you place the order at your dealer, simply tell them to pass the number of your selection to the PP office, and we will have that particular sheepskin shipped with your chair.

Please have in mind that the unlikely event of two customers reserving the same sheepskin simultaneous might happen.

pp225 is available in natural flax or natural flax dyed black. It comes with a leather or fabric upholstered neck cushion and brittle leather or jute straps to hold it.

Design by Hans J. Wegner 1950
